4

Keeping home maintenance or Hygiene in mind, ColourDrive has launched professional deep cleaning service. Our trained and skilled cleaning professionals would give a sparkling look to your dream house. Deep cleaning package includes complete home sanitization, bathroom cleaning with non-hazardous chemicals and specific acids. Kitchen, wardrobe cabinets cleaning Chimney exterior and plates degreasing, complete floor scrubbing with motorized scrubbing pads, dry vacuuming of window panes, fans and lights. We do offer sofa, beds, blinds vacuuming and shampooing as separate packages. Time required to complete the job will vary based on the floor area and occupancy of the house.

5

Kids Décor and Free hand Art

At Colourdrive we believe in creating ideas that one dream to have at their beloved place. We have in house wall designers and industry best free hand artists to convert your dream wall into a masterpiece. Our designers help you in designing the wall as per your preference be it 3D Abstract, Stencils or complete free hand art. Our team is ready to bring it live. To make kids space exciting, we are also offering varieties of décor ideas like marvel character themes, super heroes, Martian sky themes and many more in our bucket list.

False ceiling

6

Standard ceiling sometimes makes the space boring due to less access for the lighting and décor options. So, we are offering the false ceiling which are cut and created with the Plaster boards which lasts for ages and could be easily replaced if required. The POP false ceiling allows one to make the space interesting with cove/stripe lights, led lights to beautify the roof top with variety of lighting and Chandeliers options. There are varieties of False ceiling options to go with from simple single layered to multi layered designs. False ceiling also helps to hide any damages or see pages in the ceiling mainly in the apartments where it'll be difficult to repair the ceiling.

7

Wallpaper Design

Wallpaper has been in trend for ages now in the décor industry due to the wide range of options, customization and ease in application. Wallpapers also matches the design philosophy of many décor enthusiasts. Wallpapers are available in many qualities, we deal with PVC, woven and Non-Woven, vinyl wallpapers which make them more durable and maintenance free due to its wash ability. Fabric or Woven, Hand Woven, Velvet wallpapers are also offered as per the customer likings. Wallpaper can be easily installed on even surface which is oil primered with a CMC powder adhesive, which makes it glow free and makes it stay long. There are 3D wallpapers which also comes with 3D lamination, cladding themes, brick themes, Abstracts, customization nature themed wallpaper available in our offerings. We also deal with Foam bricks, artificial grass and Vertical gardening too.

Stencil Design

8

Stencil is a special wall fashion which is there in decor industry since ages. It came into limelight in India when Asian paints launched their series of stencil designs. Stencils can be a better replacement who already had wallpaper or texture and looking for something much more exciting. At ColourDrive, we have our own CNC laser cutting technology which makes it easy to replicate any patterns on the wall which customer chooses. Stencil comes in many themes like traditional, nature themed and contemporary. It is created using base coat of paint for the background and top coat to create the required motif. Durability is medium to high when compared to other wall decor options.
